About Us

We're construction people, and we understand that without the right equipment you can't get the job done on time. We created the TireSocks® line of products with construction people in mind. Our products are easy to use, durable and dependable. We also know a great product is nothing without great service. TireSocks manufactures every product from our headquarters in Englewood, Colorado. We're always here to help and we're proud to say we ship orders the same day, EVERY DAY!

Our Products

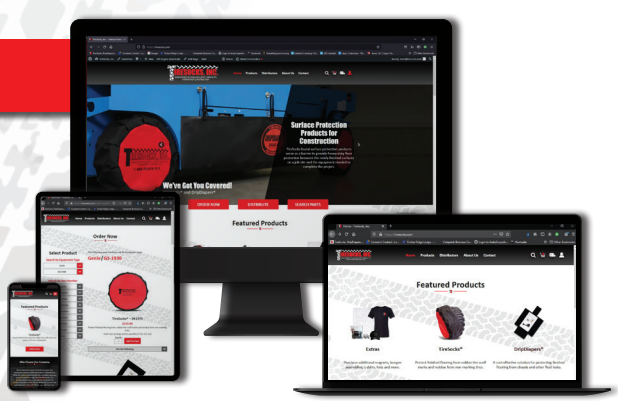

Whether you need to keep your job site clean, your employees safe, or your equipment protected; we have just the right products for you. With our full line of surface protection and safety products, you're guaranteed to find exactly what you need.

Distributors

A variety of distributors carry TireSocks brand products. For a complete list of our distributors, or for more information on becoming a distributor, please contact us or visit TireSocks.com.

Order Online!

- Find part numbers
- Track shipments
- View invoices

www.TireSocks.com

Same day shipping on all stock products.

DripDiapers®

Stop fluid leaks before they trash your job site

Get more information about DripDiapers on page 48-49

Includes install kit with magnets and adjustable bungee for easy attachment

Standard:
One size fits multiple machines

Pre-Cut:
Available for select machines

TireSocks®

TireSocks are used to protect finished flooring from scuff marks caused by rubber tires, as well as residue from non-marking tires. TireSocks are constructed using heavy-duty fabrics and can be made to fit any size tire. TireSocks have several advantages over similar products currently on the market. They are easy to install, won't slip off the tires, and self-center as you drive.

TireSocks®

Options & Upgrades

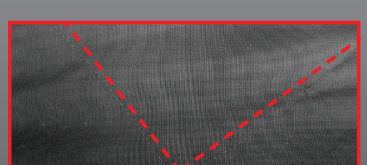

Custom Logo

Customize TireSocks with your company logo at NO ADDITIONAL CHARGE* Custom logos offer a unique branding opportunity that will set your equipment apart from the rest! In addition, the extra job site exposure gained is a valuable marketing tool.

**One time set up fee*

Heavy-Duty Option

Heavy-duty TireSocks include an extra layer of reinforced fabric and a patch over the seam for additional durability. The HD option is recommended for projects lasting two or more weeks, tires over 30" tall, or simply to extend the life of your TireSocks.

Reinforced fabric

Patch over seam

Don't Leave a Mark

We've Got You Covered!

Find part numbers to fit all your equipment on pages 1-45

DripDiapers®

Stop wasting time with plastic and duct tape! DripDiapers are a cost-effective solution for protecting finished flooring from fluid leaks. A heavy-duty absorptive pad in the center of each DripDiaper collects fluid that may leak from the chassis of equipment. DripDiapers are available in 7 standard sizes that can be customized to fit any piece of equipment, allowing you to stock just a few part numbers. Every DripDiaper includes an install kit with adjustable bungee assemblies and magnetic attachment points to make installation a breeze.

Pre-Cut DripDiapers®

Custom Fit

Custom pre-cut DripDiapers make the installation process even easier. Available for Genie GR Series, Skyjack 3219 and Skyjack 3226 (or similar).

Get more information about pre-cut DripDiapers on page 59

Easy Install

Magnetic hooks with adjustable bungee assemblies provide multiple attachment points

Options & Upgrades

Replaceable Absorptive Pads

Get more information about additional absorptive pads on page 56

AerialShields®

Aerialshields are a cost-effective solution designed to shield your equipment from overspray, spills and splatters. This product is ideal for painting and drywall projects and is easy to install! Aerialshields feature a hook & loop seal surrounding the machine's entry point along with a removable door. These two features make entry and exit possible without removing the shield. A bungee base secures the AerialShield to the bottom of the platform. The product's design also allows coverage for platform extensions.

Easy Access

Includes a velcro flap for easy access to controls on boom lift AerialShields

*Indoor use only.

Patent Protected
#11,598,107

Go ahead... Work your socks off!

AerialJackets®

AerialJackets protect scissor lifts, control boxes and boom baskets from the elements, dust and debris. Constructed of heavy-duty, water-resistant material, our covers will keep your equipment looking great and protect your controls from damage. Products are easy to install and include a retractable lock to prevent unwanted use and theft. AerialJackets are constructed to allow easy access to controls and charging ports without removing the cover. Add your full color logo to create a unique marketing opportunity and always stand out on the job site.

Anti-Theft

AerialJackets include a retractable lock to keep covers secure and tamper-proof

Options & Upgrades

Custom Color Logo

Customize AerialJackets for scissor lifts, boom lifts and control boxes with your full color company logo at NO ADDITIONAL CHARGE*.

Custom logos offer a unique branding opportunity that will set your equipment apart from the rest! In addition, the extra job site exposure gained is a valuable marketing tool.

*One time set up fee

SafetyPads®

SafetyPads protect the entry point of equipment. They're a cost-effective alternative to the typical caution tape method that is both time-consuming and less effective. SafetyPads include a pre-slit foam pad with a removable cover that you can customize with your company logo and contact information.

DropShields®

If you're looking for a way to improve safety on your job site, our DropShields are the perfect solution. Designed to keep tools and other small parts such as nuts and bolts inside the boom basket, while also greatly reducing the risk of injuries due to objects falling from heights. They feature an innovative mesh design that maintains operator visibility and allows wind passage. These covers are lightweight and easy to attach. Our mesh platform covers are strong enough to catch heavy objects like drills and hammers and tightly woven to catch small nuts and bolts.

Easy Access

Center and side zippered entry points

Flame Retardant

F.R. to NFPA-701 Available

TreadArmor™

TreadArmor is heavy-duty, temporary floor protection board. This is a great alternative to large, bulky sheets of masonite or hard to handle plastic sheeting. TreadArmor easily rolls out flat and provides universal floor protection for wood, ceramic, vinyl and any other finished flooring. Protect your floors from dents, dings, and scratches with 100% recyclable and reusable TreadArmor. Made with high quality materials in the USA.
