WARNING

This product can expose you to chemicals including Di-isodecyl phthalate (DIDP), Toluene Diisocyanate (TDI) and Vinyl Chloride, which are known to the State of California to cause cancer or birth defects or other reproductive harm. For more information visit: www.P65warnings.ca.gov

Dated: 12/16/2022

Installation Instructions

1. Lay the DropShield flat on the ground.
2. Open the Velcro centered on the back of the DropShield
3. Align the DropShield door with the basket entry point. DropShield is reversible to accommodate right or left side basket entry.
4. Slide the DropShield under the basket with the back center velcro facing the boom arm.
5. Pull DropShield up to the top bar of the basket.
6. Secure to basket by attaching the velcro straps around the top bar of the basket.
Be sure to secure all velcro straps on the DropShield.
8. Close velcro around the boom near its attachment point to the basket.
9. Open velcro door to enter and exit machine.

NOTES

- Ensure velcro is not attached to any moving parts.
- Use in windy conditions could result in injury or death.
- Parts smaller than the mesh holes may still fall through and may cause damage or injury.
- Extremely heavy or sharp objects may penetrate the mesh. Inspect prior to use.
